Production coordinator

From 1991to 1995 I worked at Protecree TF1 inthe fiction department as a

post productions supervisor and in-house production coordinator. I supervised all aspects of the postproduction, including such responsibilities as the timing of final prints and final film to tape transfers. A Paris based company, Protecree produced 10 90-minute TV movies yearly, all shot on Super 16mm film. "Commissaire Moulin" and "Rocca" are among the popular TV series produced by Protecree.
